

## Mentoring Committee Responsibilities

- Plan and implement the matching of RJOS members for mentoring purposes.
- Create and implement an orientation and/or training workshop to assist mentors and mentees in the mentoring process; develop formal mentoring guides and other tools to enhance participation in the Program.
- Oversee the development, implementation and evaluation of the Ambassador Program.
- Promote mentoring within RJOS as a means to building the profession and strengthening the Society.
- Contribute to the RJOS website quarterly and contribute to the Society newsletter.
- Assess the Mentoring Program annually and make recommendations to the Board of Directors for enhancements.
