

## Pediatric Orthopaedic Surgeon (Sports Medicine)

The Department of Orthopaedic Surgery & Musculoskeletal Science is seeking a full-time pediatric orthopaedic surgeon to join our Sports Medicine Center. The ideal candidate will be board certified or board eligible in orthopaedic surgery, and have completed a pediatric orthopedic fellowship and sports medicine fellowship, or a pediatric orthopaedic fellowship with significant sports exposure. Highlights of this position include:

- A dynamic multi-disciplinary sports medicine team consisting of 4 sports physicians, 1 orthopaedic surgeon, 2 nurse practitioners, 32 athletic trainers, 15 physical therapists, a sports mental health provider, and a sports dietitian.
- A diverse and rapidly expanding patient population focused on the student-age athlete.
- Partnership with Sporting KC Academy (soccer) and numerous school partnerships in the region.
- State-of-the-art facilities including dedicated sports physical therapy, aquatic therapy, and a movement analysis lab.
- An academic institution with a Pediatric Sports Medicine fellowship and a Pediatric Orthopaedic Surgery fellowship, along with numerous opportunities to participate in graduate and undergraduate medical education.
- Competitive compensation and benefits.

The Sports Medicine Center was established in 2010 and is well established within the Department of Orthopaedic Surgery and Musculoskeletal Science with a robust and growing clinical practice. Members of the section are engaged with specialists throughout the hospital (cardiology, neurology, PM&R, etc) to help manage a wide range of sports-related conditions and injuries.

The successful applicant must share our unwavering commitment to excellence, integrity, collegiality, antiracism, and respect for inclusion of individuals with diverse backgrounds.

Please apply online including CV and cover letter at:
