

# NYU LANGONE ORTHOPEDICS SEEKS Director of Women's Sports Medicine Center

We are currently seeking a highly motivated individual to serve as **Director of the NYU Langone Women's Sports Medicine Center**. Qualified candidates should have expertise as an orthopedic sports medicine specialist and in the management of orthopedic conditions specific to women. Applicants must have an M.D. degree, must be Board Certified or Board Eligible and have completed fellowship training in sports medicine. Teaching responsibilities will include medical students, orthopedic residents, and sports medicine/primary care sports medicine fellows. In addition, opportunities for team coverage include New York University Collegiate Division 3 athletics, Long Island University Collegiate Division 1 (Brooklyn and Long Island campus) athletics. Faculty appointment will be at the assistant, associate or professor level depending on the academic qualifications of the candidate.

NYU Langone Health is a world-renowned institution with 13 nationally ranked medical specialties according to *U.S. News & World Report* (USNWR), including orthopedic surgery, rehabilitation and rheumatology. The Department of Orthopedic Surgery at NYU Langone is ranked #4 by USNWR and is one of the largest orthopedic programs in the country. With more than 30 faculty members, the Sports Medicine Division is one of the largest orthopedic subspecialties at NYU Langone and includes sports medicine surgeons and primary care sports medicine specialists. Our physicians treat athletes in every major sport, from running to cycling to basketball, baseball, football, tennis, triathlons, marathons, and hockey. More than 7,000 procedures are performed annually by our faculty, including arthroscopic procedures of the knee, shoulder, elbow, and ankle.

**Interested candidates should send their letter of intent and CV to Laith Jazrawi, MD, Chief, Division of Sports Medicine at [laith.jazrawi@nyulangone.org](mailto:laith.jazrawi@nyulangone.org)**
