

Position description

Mayo Clinic's Department of Orthopedic Surgery is seeking a Non-Operative Orthopedic Surgeon to join our destination medical practice in Rochester, Minnesota.

In this position, you'll have the opportunity to join a dynamic, high-performing department recognized nationally and internationally for providing outstanding orthopedic care. You will partner with a team of four orthopedic NP/PAs and orthopedic nurses to deliver diagnostic and procedural excellence in the non-operative orthopedic space. Experience with ultrasound guided injections of the knee, hip, and shoulder is preferred but not required. Candidates must be comfortable evaluating and treating shoulder, hip, knee, and some foot/ankle diagnoses. Close coordination of patient care is a hallmark of our practice and you can expect daily collegial engagement with our operative orthopedic surgeons. You will step into a robust practice with thankful patients in a financially stable organization that is fully committed to both high quality patient care and patient satisfaction. High value opportunities to contribute in the areas of medical Education and Research are options of the position. You may participate in teaching 1st and some 2nd year internal medicine residents about musculoskeletal exam and treatments.

License or certification

Board-Certified /Board-Eligible in Orthopedic Surgery and eligible for medical licensure in Minnesota. Fellowship training in either Sports Medicine, Total joint reconstruction, Trauma, Shoulder, or Tumor is preferred but not required.

Site description

Mayo Clinic is located in the heart of downtown Rochester, Minnesota, a vibrant, friendly city that provides a highly livable environment for more than 34,000 Mayo staff and students. The city is consistently ranked among the best places to live in the United States because of its affordable cost of living, healthy lifestyle, excellent school systems and exceptionally high quality of life.
