

**Yale School of Medicine, Department of Orthopaedics & Rehabilitation
Division of Sports Medicine – Stamford, Connecticut**

The Yale School of Medicine, Department of Orthopaedics & Rehabilitation is a leading provider of patient care, education, and surgical innovation. We seek a skilled physician surgeon at the Assistant/Associate Professor Level with a minimum of three years of experience for a full-time faculty position with expertise in Orthopaedic Sports Medicine. Responsibilities emphasize clinical care and programmatic development in the Stamford Regional Market. Teaching and research opportunities are also available. This position will be based in Stamford, Connecticut.

Applicants must be board-certified Orthopaedic surgeons with fellowship training in Orthopaedic Sports Medicine. Academic appointment will be commensurate with experience and qualifications.

Interested candidates should apply via:

<http://apply.interfolio.com/90028>

Our department anticipates that the successful candidate will have a dynamic personality, outstanding communication and interpersonal skills, and a demonstrated commitment to diversity, equity and inclusion, as well as academic collaboration.

Review of applications will continue until the position is filled.

Yale University is an Affirmative Action/Equal Opportunity Employer and welcomes applications from women, persons with disabilities, protected veterans, and members of minority groups.
